During monthly board meeting held last week

Superintendent says Elba Schools start year with enrollment increase

by Ferrin Cox, Publisher

The Elba City School Board received an attendance update Tuesday, Aug. 21, at its monthly meeting, and the news was positive.

According to Superintendent Chris Moseley, total enrollment is up 45 from the same period last year. The increase is evident in both the elementary and the high school numbers.

The elementary school has an enrollment of 313, compared to 285 last year while the high school enrollment is up to 298 from 281 last year.

Local enrollment had been gradually dropping for a number of years. That is coupled with the larger reduction in students following each several seasons of homeowners being flooded out by heavy rains and overflowing streams.

The board set September 13th as the date for public reviews of the school budget for the coming fiscal year.

Moseley announced the school is expecting an accreditation review in January of 2019. He also updated board members on the 3-year lease agreement with Head Start and with OCAP.

FIRST BAPTIST OF ELBA PASTOR MICHAEL WOODHAM speaks to those gathered in the foyer of Elba High School last Sunday afternoon, Aug. 26, at the start of the Coffee County PrayerWalk Event. Well over 100 people attended the PrayerWalk at Elba City School - both the elementary and high school. Woodham encouraged those at the high school to pray for God to provide an opportunity for the students to know Jesus through Elba City Schools. He said once the Lord transforms a life, He can transform a family, Elba City School, and He can transform Elba, Alabama. Elba High School principal Wynn Grimes also was in attendance as was Elba Elementary School principal Deborah Strickland to welcome everyone to the schools. Grimes thanked those at Elba High School for their prayers. He said it means a lot to everyone involved with the school system, and they certainly can use those prayers every day. Scenes like the one above could be found all over Coffee County last Sunday afternoon at all schools. A few more pictures from the Prayer Walk event, which is sponsored each year by the Coffee County Baptist WMU, can be found on Page 5 of today's paper.

Main Street Alabama presented the Alabama Community Award to Ben E. Keith Foods of Elba last week during the Main Street Alabama Awards of Excellence program. Ben E. Keith Foods [Kelley Foods] was recognized for its dedication, community service, and outstanding work to support Main Street Elba. Those pictured above include (from left): Elba Mayor Mickey Murdock; Main Street Elba executive director Sandy Bynum; Scott Davison, general manager of the Elba facility of Ben E. Keith; Rhett McCollough, of Ben E. Keith Foods, Elba facility; and Elba First Lady Liz Murdock.

Elba brings home two Main Street Alabama awards

Main Street Alabama celebrated local program successes Thursday, Aug. 23, at the fifth annual Awards of Excellence on the day that Governor Kay Ivey proclaimed Main Street Alabama Day.

The day recognizes the efforts of the organization that is focused on creating jobs and keeping character in communities across the state. During the Awards of Excellence program, Main Street Alabama's President and State Coordinator, Mary Helmer, honored 33 projects that made tremendous impacts in their respective communities. Alabama Municipal Electric Authority sponsored the event that was held at Lake Point State Park in Eufaula, Ala.

"It's an honor to recognize these outstanding community projects, leaders and volunteers," said Helmer. "Today's award winners represent the most innovative downtown revitalization projects in our Main Street Alabama communities. These projects are truly charting new territory in downtown revitalization in Alabama. The effort and leadership it takes to move these projects from concept through completion is tremendous and we are thrilled to acknowledge such achievements. We are especially honored to be presenting these awards the day Governor Ivey proclaimed Main Street Alabama Day."

Elba, a Designated Alabama City and a Nationally Accredited Main Street Program, brought home two top honors at this year's Main Street Alabama Awards of Excellence Dinner.

• **Alabama Community Award - Ben E. Keith Foods** was recognized for their dedication, community service, and outstanding work to support Main Street Elba.

• **Excellence in Business Development - The**

Main Street Alabama presented the Excellence in Business Development award to The Rabbit Hole of Elba. This award recognizes outstanding efforts to improve the downtown business climate. Those pictured above include (from left): Rory Vignola, Mike Moseley and Debbie Jared, representing The Rabbit Hole; and Sandy Bynum, Liz Murdock and Elba Mayor Mickey Murdock, representing Main Street Elba.

Rabbit Hole to recognize outstanding efforts to improve the downtown business climate.

"This year's winners are a testament to their dedication to growing Elba," said Sandy Bynum, director of the Elba Chamber of Commerce and Main Street. "Thanks to dedicated leadership, community spirit, and commitment to

development, these two Chamber and Main Street member businesses have brought renewed vibrancy and statewide recognition to Elba. It's truly inspiring."

Coffee County District Attorney elected president of Alabama DA Association

The Alabama District Attorneys Association will continue to work on behalf of the victims of crime while seeking fairness and justice through the Alabama court system, says new ADAA President Tom Anderson of Enterprise.

Anderson was elected president for 2018-19 at the ADAA's summer meeting and training conference. Other officers chosen are Jill Lee of Columbiana, vice president, and Chris Connolly of Florence, secretary-treasurer. Brian McVeigh of Anniston is immediate past president, and Mike O'Dell

of Fort Payne is the state association's representative to the National District Attorneys Association.

"It is an absolute honor to have the support of my fellow district attorneys and to help lead this body for the next year," Anderson said. "We have a lot we hope to accomplish legislatively and many goals for ourselves to improve our ability to do what we do effectively."

"We are a group of hardworking, caring prosecutors who work for victims and our respective commu-

Elba High School students looking for interview volunteers for oral Bicentennial project on floods

Alabama is turning 200 years old, and Elba High School has been named a Bicentennial School. Help Elba High School celebrate by participating in the school's Bicentennial project!

Elba High School students will conduct oral interviews of Elba residents and natives who survived the numerous floods in

Elba's history. After interviews are conducted, the students will put together a presentation of interviews to present before the school on a designated day.

The project plan also is to possibly have some interviewees as guest speakers the day of the presentation.

The students involved in the project and their

extracurricular organizations will then host a formal community banquet to showcase the same presentation for the community. Tickets will be sold to attend the community banquet, and funds raised through this event will help fund a small monument to be placed at the school to showcase the Alabama Bicentennial Schools 2018-2019 project.

Student organizations will sponsor and serve tables of adults at the event as well as introduce guest speakers and present their oral history presentations.

"This project is important to our school and community because it showcases our motto that 'Elba is Able'," said project coordinator and Elba High history teacher Anna Marie Moore. "The ability to overcome numerous floods, including one that resulted in relocation and rebuilding of a new school, proves strength and determination."

Moore said many of today's students lived through the most recent 2015 Christmas flood where homes and belongings were lost; however, they do not have a clear understanding of the previous floods when the levee did not hold and water

BRAINSTORMS

With Ferrin Cox

"Our shared values define us more than our differences. And acknowledging those shared values can see us through our challenges today if we have the wisdom to trust in them again" – Senator John McCain

Football is in the air . . . Alabama on top of the preseason polls in the college ranks – again. Hard core football fans from back in the 1960's already liked the Green Bay Packer's coach Vince Lombardi, he was tough and his teams won. Then after the Packers won the 1967 National Football Championship, someone, probably an enterprising young reporter who couldn't think of any other question, asked him how it felt to have the best football team in the world. Vince said, "I don't know. We haven't played Alabama." Every Alabama fan in the world lovingly included the NFL championship coach in their daily prayers for several months after that exchange – in the same breath with their regular prayer thanking God for Bear Bryant.

The Southern Poverty Law Center (SPLC) has officially opposed an Alabama Medicaid Agency plan to impose work requirements on (some) Medicaid recipients. Their position is that it is illegal to impose such requirements. Well, illegal is hard for us to grasp. True, many folks on Medicaid simply can't work, for various reasons, and helping them is the American, and Christian, thing to do. However, many can do regular or limited jobs and we see no harm in well . . . allowing them to be a part of furnishing their very existence. Our thought is that if we were the one needing the help there would be a feeling of being worthwhile with any job, from sweeping the floor to reprogramming the computers.

We sadly write about the apparent suicide of a recent Auburn graduate who spent a delightful summer in Elba, as part of the University's Living Democracy program. Twenty-four year old Maranda (or Randy) Whitten was a bubbly and very likable person. She disappeared on a kayaking trip. Her body was later found in the Georgia lake and the sheriff said it appeared to be a suicide. Her participation in activities in Elba that summer left a mark on the community and the folks she worked with, including the Giving Garden and a group of Elba High School students in the Interact Club, Pea River Outdoors along with other Restoration 154 projects. This is another case of the majority of us being completely unaware of what is going on in the mind of those around us. While many of us are extremely happy, others are fighting demons, but masking it with their positive influence on those around them. Some of the latter, like this vibrant young lady, lose the battle.

The Elba Schools are registering an increase in enrollment from this time last year. After years of our economic downturn and corresponding population loss, things may be looking up for the schools – and the community.

We are not surprised that the company offering the plans for making those untraceable 3D guns is still offering them, in spite of court rulings banning the plans being offered "on line". The Texas man was quoted this week voicing the opinion that selling them is not a violation of the judge's ruling that he could not offer them online. Ironically that is probably true, but still we don't think it is the right thing to do for the 'good' of society.

Elba Police Report

The Elba Police Department, beginning Monday, Aug. 20, investigated the following incidents: one for domestic violence, and one for harassment.

Arrests made during the week included: three on multiple failure to appear charges, and one driving under the influence.

There were 10 traffic citations and 18 traffic warnings issued by Elba Police officers during the

timeframe of Aug. 20th-26th.

MONDAY, AUG. 20 – Officer out with the School Resource Office to meet with a student that allegedly made threats to a teacher (9:41 a.m.); Disabled vehicle reported in a ditch at 1691 Claxton Ave. (2:17 p.m.).

TUESDAY, AUG. 21 – Officers assist citizen with locked vehicle at the post office (7:39 a.m.); Report of a suspicious person on

The Elba City Council gave final approval Monday evening, Aug. 27, for plans to build a dog park on city property near Tiger Town Park.

The new fenced park, designed and reserved just for the four legged critters, is estimated to cost \$16,228, according to Recreation Director Greg Hanchey. The fencing for the facility will be the most costly portion at \$7,103.

The park will be divided into two sections, one for larger dogs and the other for the small dogs. The small dog area will be 60 ft X 100 ft while the larger dogs will have a run that is 60 ft X 150 ft. Each section will have a covered shelter for pet owners and access to a common commercial style pet water fountain area.

Other items itemized in the cost presentation to the council were two benches, four clean up stations, signage, concrete pads and an

underground freeze kit.

The council also heard a positive report from Police Chief Leslie Hussey. The chief introduced two new police officers, one of whom was on his first day with Elba.

He also reported that business had been fairly routine but that investigators had cleared several older cases that had been pending with the department.

Hussey said he would be announcing several promotions within the department in the next few weeks and would keep city officials abreast of that as it progresses.

The council members discussed a state approved one-time bonus for retirees but made no decision at this meeting. It was noted that two members were absent and they would wait until all were present before considering the matter.

Mayor Mickey Murdock told the council members this one time bonus would cost the city \$9,752 for the

18 retired employees. Water and Electric employees would be covered by W & E funds, if that board approves the bonus.

Assistant City Clerk Pat Boothe reported that Beaver Dam Street has been repaired and work is underway to repair a major washout at the Pea River boat ramp. She explained that concrete remains from removing the old Sonic building will be used to repair this washout, saving the City considerable disposal fees.

A review of the monthly financial statement by Mayor Murdock indicted that salaries are up. He continued to explain the city is close to budgeted figures in most areas, in both income and expenses.

General Fund income including Sales tax and business licenses were up slightly from last year but overall income to the city is down \$18,731 from last year.

The reports show the city has completed paying off the main garbage truck, leaving only two bond issues with claims against the General Fund. These two are a USDA 2000 sewer bond and a 2013 General Operational Expense Bond issue.

The city is moving forward with a major sewer rebuilding with a another large grant and loan from USDA. Actual construction work is expected to get underway with that project in 2019.

PROJECT

rushed throughout the city submerging buildings they see standing each day under water.

"I believe that an understanding of these tragedies will give our students a greater appreciation for their hometown and the motto - Elba is Able. I also believe that students will better understand the advancement in technology of the most recent rebuilding of the levee and an understanding of the engineering behind it," Moore said. "For the future, I believe that relationships will be born between the interviewers and the interviewees and this will be beneficial to students in our rural community."

Through this Bicentennial project, Moore said she believes the Elba students will become knowledgeable of the rich history of Alabama, more specifically, the place they call home. "We would love to hear from residents from each of the different floods," Moore said.

Anyone interested in being interviewed for this project to share his/her story, is asked to call Elba High School at 897-2266 to reserve a time on Wednesday, Oct. 10, to come and be interviewed in

the Elba High library. Please bring any pictures, footage, belongings, etc. that are significant from

surviving the flood. Interviewees will receive a free ticket to the community banquet.

Callie Jade Brown honored with bridal shower

On Sunday afternoon, July 29, 2018, the Newbia Baptist Church fellowship hall was the setting for a bridal shower honoring Callie Jade Brown, bride-elect of Joe Parrish. The bar was set with silver and crystal appointments and a gold runner. Lovely arrangements of miniature roses, hydrangeas, lavender, asparagus fern and baby's breath were used throughout the room. After registering their attendance in the bride's book, the guests enjoyed refreshments of cheesecake squares, chicken salad croissants, fresh fruit, cheese straws and punch. The bride-elect looked lovely in a white dress featuring a lace bodice and sleeves and a pleated skirt. A corsage of miniature white roses completed her ensemble. Guests enjoyed watching Callie open her many gifts. The hostesses presented the honoree with a set of Pioneer Woman cookware. Hostesses for the special occasion were: Charlotte Anderson, Dana Haley, Annsley Padgett, Kristen Stinson, Ashton Parker, Nelline Taylor, Donna Bowden, Carolyn Hudson, Cathy Nelson, Jan Wicker, Marianne Marler, Anita Grimes, Miriam McKnight, Rene Lambert, and Lynn Baker.

Austin McWaters of Elba to participate in UA's Cooperative Education Program

University of Alabama student Austin McWaters of Elba, Ala. will participate in UA's Cooperative Education Program for fall 2018. McWaters will be working at Mercedes Benz in Tuscaloosa, Ala. In the Cooperative Education Program, more than 250 students alternate periods of full-time study with periods of full-time employment. This program offers work related to the academic major or career interests of each student, experience that enhances the students' employment prospects after graduation. While in school, students carry regular course schedules. While on co-op, they work with professionals in their fields who supervise their training and work. At work, co-op students earn competitive salaries and may receive benefit packages in addition to valuable job experience. Participants maintain their full-time student status while at work and have priority registration status each semester through graduation.

Vendor registration is open for 15th annual Jack Day Festival

Altrusa International of Jack, Alabama, a non-profit, community service organization, sponsors the Jack Day Community Festival each year on the campus of Zion Chapel Schools. This year's event, set for Saturday, Sept. 15, is the 15th year for the Jack Day Festival. The event is from 9 a.m. until 1 p.m. and will include arts and crafts, food, entertainment, children's activities and more. Registration is open now for those wanting to rent vendor space for the festival. General booths (crafts, merchandise, non-profit/community) and Zion Chapel School Student Organizations (beta club, cheerleaders, FFA, SGA, band, etc., but not including concessions) are a 10'x10' space. Food vendor booths (concessions, food trucks, and/or food trailers) are a 10'x20' space. General booths are allowed the sale of food and/or drink items, but must comply with the health guidelines of food vendors. All proceeds from the Jack Day Community Festival will be used to benefit Zion Chapel Schools and the Jack Community. General booth rental is \$30 in advance or \$40 day of festival; Zion Chapel School Organizations booth rental is \$20 in advance or \$30 day of festival; and food vendor booths are \$100 in advance. There also is a \$10 fee if electric hookup is needed. For more information or to receive a vendor registration form, contact Britley Parker at (334) 300-6974 or mikebritkin@hotmail.com; or Jennifer Gatlin at (334) 372-5817 or jenniferdflow-ers@yahoo.com. All checks should be made payable to Altrusa International of Jack.

POLITICAL CORRECTNESS FOR KIDS

- Your bedroom isn't cluttered; it's "passage-restrictive."
- Kids don't get in trouble anymore. They merely hit "social speed bumps."
- A student isn't lazy. He's "energetically declined."
- You're not having a bad hair day; you're suffering from "rebellious follicle syndrome."
- You're not shy. You're "conversationally selective."
- You don't talk a lot. You're just "abundantly verbal."
- Your homework isn't missing; it's just having an "out-of-notebook experience."
- You're not sleeping in class; you're "rationing consciousness."
- You don't have smelly gym socks; you have "odor-retentive athletic footwear."
- You weren't passing notes in class. You were "participating in the discreet exchange of penned meditations."
- You're not being sent to the principal's office. You're "going on a mandatory field trip to the administrative building."

1 John 1:8 talks about politically correct sin. The only problem is that we cannot measure our sins to the sins of others or how good we think or might be. Romans tells us all have sinned and come short of the glory of God. Finishing reading 1 John 1:9 to 2:2.

Jesus Christ can cleanse us from all our sin (John 3:16). Instead of making up politically correct jargon for your sin why not confess them, ask Jesus to forgive you and trust and begin to live for Him today.

DEPARTMENT OF AGRICULTURE Rural Development

Jack Water System, Inc.: Notice of Availability of an Environmental Assessment

AGENCY: Rural Utility Service, USDA

ACTION: Notice of Availability of an Environmental Assessment

SUMMARY: Notice is hereby given that the Rural Utility Service (RUS), as required by the National Environmental Policy Act, is issuing an environmental assessment (EA) in connection with possible impacts related to a project proposed by Jack Water System, Inc. (JWS), of Jack, Alabama. The proposal is for rehabilitation of an existing water supply well and construction of an elevated water storage tank. JWS has submitted an application to RUS for funding of the proposal.

FOR FURTHER INFORMATION CONTACT: Landra Siegfried, Area Director, RUS, 1177 E. Andrews Ave., Suite B-1, Ozark, AL 36360, Phone: 334-774-4926 Ext. 4, Email: Landra.Siegfried@al.usda.gov.

SUPPLEMENTARY INFORMATION: JWS proposes to rehabilitate an existing well on Hwy 87 and construct a new elevated storage tank on a parcel of land at the intersection of Coffee County Road 207 and Coffee County Road 208.

Davis Hicks and Associates, an environmental consultant, prepared an environmental assessment for RUS that describes the project, assesses the proposed project's environmental impacts, and summarizes as applicable any mitigation measures used to minimize environmental effects. RUS has conducted an independent evaluation of the environmental assessment and believes that it accurately assesses the impacts of the proposed project. No significant impacts are expected as a result of the construction of the project.

Questions and comments should be sent to RUS at the address provided. RUS will accept questions and comments on the environmental assessment for 14 days from the date of publication of this notice.

Any final action by RUS related to the proposed project will be subject to, and contingent upon, compliance with all relevant Federal environmental laws and regulations and completion of environmental review procedures as prescribed by 7 CFR Part 1970, Environmental Policies and Procedures.

A general location map of the proposal is shown below.

Ethan Ard recognized as Zion Chapel's 'top' Stride Program student for 2017-18

by Jan Moore

Ethan Ard, a fifth grade student at Zion Chapel, was named ZC's Top Stride Student for the 2017-2018 school year during an awards ceremony last spring. Stride is a computer-based program which allows students to practice academic skills while earning points redeemable for play in a video game atmosphere. The program

can be accessed during the school day, after school, and at home. Ethan's outstanding performance last year enabled him to acquire 137,397,748 points, which is the largest point total ever achieved by a Zion Chapel student. It is also a record for the Stride program! Zion Chapel Schools is very proud of Ethan's accomplishments and everyone looks forward to what this year will bring.

ZC High School dresses for success

Contributor Kim Braisted

Almost a decade ago, former ZC Principal Bob Hartwell instituted a program he named "Dress for Success". Once per month, students dressed professionally and attended informative, inspirational, and engaging assemblies with topics that built character and taught students the importance of dressing as professionals and making good impressions. The school is excited to announce that based on student suggestions, "Dress for Success" is back! The first Dress for Success Assembly is planned for Sept. 27th and will honor those students

who passed their AP exams last May. The next assembly will be during Homecoming week, Thursday, Oct. 18, and will feature alumni speakers. Both assemblies will start at 8:45 a.m. The school does not want to put a financial burden on parents, so, the school is currently collecting NEW and SLIGHTLY USED dress clothes for students in need. Items needed include: men's/boy's ties, dress pants, shoes, shirts and women's Sunday dresses, shoes, slacks, blouses. Donations may be dropped off at the main office or sent with a ZC student to give to Mrs. Braisted or Assistant Principal Parker before Sept. 12th.

CHLOE'S CORNER

Welcome back Rebels!

It's that time of the year again. Whether that statement makes you giddy with anticipation and excitement or groan with agitation, we all have the opportunity to have a great year!

Let's embrace this school year with optimism and a positive outlook.

Many children around the world do not have the same privileges as us, which includes an education. Although you may not be fond of school, thousands of children around the world wish they could attend a school like ours. With that being said, be thankful for your school, your teachers, your administration, your lunch ladies, your janitors, and most importantly your education!

This year, let's reach out. Reach out to other students, reach out in your community, and reach out in your world.

During the first of the school year, we receive many new students. Moving to a new school is not easy, so reach out to them and welcome them to Zion! Let's reach out in our community and help others without having to be

prompted.

No matter where you end up as an adult, the community you came from as a child will always stick with you, so make it a good one! However, do not just limit yourself to your school or community.

Although young, we can also make a difference in this world. So be kind to others, never give up, believe in yourself, and always be humble.

Consider these thoughts as we dive into this school year. Good luck Rebels!

While many students were taking a break this summer, Skyler Nalley and Kerry Hussey were taking Boys' and Girls' State by storm.

Sponsored by the American Legion and Legion Auxiliary, Nalley and Hussey spent time at the University of Alabama participating in rigorous political debates and civic discussions. Their busy

week consisted of campaigning for mock office, listening to keynote speakers, discussing laws, tackling complex issues, and of course forging new friendships.

After returning to school for her senior year, Hussey expressed the notion that Girls' State was "a wonderful opportunity to make connections and friendships, and opened her eyes to new horizons in political pursuits." Nalley noted similar sentiments.

Zion Chapel students selected for Alabama Student Voices Team

Contributor Kim Braisted

Zion Chapel students Skyler Nalley, Brianna Davis, Chloe Meadows, and Nate Braisted were all selected by A+ Education Partnership to be founding members of Alabama's first Student Voices Team.

The main goal of this group is to help encourage Alabama students to become more civically engaged leaders and mentors among their peers.

"We want to encourage Alabama students to get out there and serve their communities!" said Brianna Davis.

The team attended its first meeting Aug. 1st at the Dave Matthews Center for Civic Life on the campus of the American Village in Montevallo, Ala. Students met with Thomas Rains, A+ Vice President of Operations and Policy, and Adam Muhlenhoff, President of Longleaf Strategies, to learn the essentials of policy and law making in our state. They also met with Dr. Cynthia

McCarty, Vice Chair for the AL State Board of Education, in order to better understand how to become an effective leader in Alabama Education.

"We are excited for the opportunity to work closely with state officials and speak up for students across the state," said Nate Braisted.

The team is currently raising money for a trip to the National Conference on Citizenship in Washington,

D.C. in October. The team was invited by NCOC to serve on a panel alongside students from the DC area to discuss their perspectives on student challenges and solutions to them.

"This is a great honor for us and Alabama to speak at this national conference," said Skyler Nalley. "I am really excited to go, represent our state, and learn as much as I can."

Any person or business interested in sponsoring these four ZC students, is asked to contact ZCHS teacher and team advisor Kim Braisted at school (334) 897-6275, email braisted-edk@coffeecounty.k12.al.us, or visit their GoFundMe account at www.gofundme.com/4ve377-educational-trip-to-washington-dc.

Jonathan Deveridge describes his father as his role model.

"He has provided me with the leadership and knowledge to make it in today's society," Deveridge says. "He also has laid out the blueprint on how to be a father and for that I'm thankful."

Coach Deveridge, the middle child of Mickey and Shelia Deveridge, grew up in Troy and is a 1999 graduate of Charles Henderson High School. He graduated from Alabama State University in Montgomery in 2004 with a Bachelor of Science degree in business education. While at ASU, he was a member of the men's basketball team.

Coach Deveridge joined the Zion Chapel family this school year as the business education teacher, assistant varsity football coach, and head girls' basketball coach. He has previously taught at Robert E. Lee High School in Montgomery and Eufaula High School.

While at Eufaula, he played a role in elevating the girls' basketball program into state contention. His last Eufaula team fin-

SPORTS

Views From

The Pressbox

By Ricky Mularz, Sports Editor

Our young grandson Lawson got in the spirit last week as he attended the ‘Meet the Tigers’ event on Thursday night and then on Friday night went and watched the Tigers post a preseason win over Wicksburg. I’m not sure how many road games the future Tiger will make it to, but there is no doubt his favorite colors are already black and gold.

For what it is worth....

*** *The Elba Tigers let every single player in pads get in the action Friday night* as they rolled to a big 35-21 win over Wicksburg, in preseason action. The Elba varsity played the opening two quarters and looked good on both offense and defense in rolling to a 21-7 halftime advantage. Richmon Singletary opened the game with a 52-yard touchdown run to set the tone for the Tiger offense, while in the passing game Byron Johnson hit on two td tosses of 33 yards to a pair of receivers that both made outstanding catches. The defense more than held its own against the big and powerful Panther offense as it limited Wicksburg to 58 yards of total offense and only one touchdown, which came after a pass interception. Elba’s younger players got in on the action in the second half, and while the Tigers got pushed around a little by the Wicksburg at times, they held their own for the most part and scored once on both offense and defense to preserve the victory. I know Elba probably kept its offense and defense vanilla in an attempt to hide some things from the Opp coaches that were in attendance, but the Tigers impressed me on both sides of the ball, and if they can improve every time they take the field could have a very good team as they enter region play.

*** *A couple of area teams hit the field last week* in preseason play, while New Brockton opened regular season with an unexpected lopsided loss.

The Gamecocks traveled to Dothan to challenge 3A Providence Christian and came out on the short end of a 35-10 final score. The Gamecocks were expected to field one of their best teams ever thanks to the addition of a couple of players from Enterprise, but simply ran into a buzz saw and made some key mistakes that gave Providence two scores and put the game out of reach early. Now that the players and coaches at New Brockton have a game under their belts look for a much improved team to hit the field this week when they host their home opener.

Zion Chapel hosted 3A Houston Academy and was simply outmanned as the Rebels lost a preseason game. The Rebels scored late to give their fans something to cheer about, but for the most part were just playing a better team. Despite the loss, look for the Rebels to be a much better team this week now that they have gained valuable experience that can only be learned against a real opponent.

Brantley took a trip up to Highland Home for its annual cross-county clash against the Flying Squadron and escaped with a 19-17 win. The Bulldogs kept is very simple in the game as they adapt to changes made by their new head coach. So, the Bulldogs fans don’t need to get upset and will just have to be patient as the team settles in to its new systems and the coaches get settled on a lineup.

*** *The regular season opened for a number of schools all across the state* in what the AHSAA calls ‘Week Zero,’ and as always there were more than a few surprises in early-season action. In games that drew local attention,

* *Enterprise made it look easy* with a big 44-21 win over Dothan and pumped new life into the Wildcat fans that suffered through last year’s 2-win season. The Wildcats have some very winnable games on the schedule early and need to get off to a fast start if the ‘Cats are to be true contenders this season.

* *Georgiana hosted Mobile small school power St. Luke’s* and was anything but a good host as the Panthers rolled to a big 47-24 win. The Panthers were expected to struggle against the former 2A power, but showed the visitors that life in the 1A ranks may not be as easy as they may have expected.

* *Andalusia made the long trip down to Saraland* to battle the 6A power and left hurting in more ways that one after taking a 41-3 whipping. The 4A Bulldogs have advanced to the state semifinals the last two years and will be playing in a new multi-million dollar stadium this season, but found out first hand that life in 6A circles is just a little bit faster than back in the 4A ranks.

* *Straughn continued its struggles* in a 43-0 loss to Headland. The Tigers were convinced that a good off-season would pay dividends this season after last year’s one-win debacle, but the Tigers got roughed up by an average 4A opponent and have to be wondering just what lies ahead for the once proud program.

* *Eufaula was embarrassed* 28-3 by Early County in the debut of former Elba coach Ed Rigby and the word is that the wolves are already howling over the Tigers change to their new double-wing offense. It was thought that Coach Rigby would leave the double wing in Elba after moving to the 6A ranks, but he stuck with the less than exciting attack and after only one loss may already be on the hot seat.

* *Floralita lit up the scoreboard* in a 51-9 romp over St. Michael’s, a first year team from down near the Gulf Coast, and the Wildcats and their fans are all excited about what they believe will be a banner season. The Wildcats have made a rapid recovery after a couple of down seasons, but there is still a lot of football to be played and one win is simply that, one win.

* *In closing....* the season literally opened with a bang up in Montgomery as the Carver-Jeff Davis game was stopped just seconds into the fourth quarter after gunshots went off outside the stadium. The shooting happened near a walkway on the west side of the stadium on the campus of Alabama State University with Carver leading 19-3, and it was wild to see videos on social media that showed the players running off the field and the fans heading to the exits. One person was killed and two more injured at a shooting outside a high school stadium in Jacksonville, Florida, and the attack occurred just yards away from metal detectors that all fans must walk through. It is bad when fans have to worry about the action both on and off the field!

*** *Ye Ole Polish Prognosticator* dropped by the office over the weekend and stated he was pleasantly surprised about how the Elba Tigers looked in their preseason game against 3A Wicksburg. He bragged on both the offense and defense, and even laughed that it may have been the first time in a decade that two extra-point kickers were successful in the same game. He wasn’t as thrilled that he hit on only 10 of his 15 opening week picks, but declared he will get better as the season rolls along and left this week’s fearless forecast. Here goes....

ELBA VS. OPP

The Pea River felines will head down the four-lane hunting a litter of short-tailed kitties and have plans to chase the kitties out of the City of Opportunity. The felines will have to be quick and determined to chase all the kitties out of the stadium behind the graveyard, but after a couple of hours should get the job done.

Everybody is in action this week as high school football season kicks off statewide

The high school football season will kick off Friday night for four area teams as Elba, Kinston, Zion Chapel and Brantley all look to open their seasons with a win, while New Brockton looks to bounce back following a tough opening loss on the road.

Following are previews of this week’s action:

Elba at Opp

The Elba Tigers will travel to Opp’s Channel-Lee Stadium on Friday night as they tangle with the Opp Bobcats in the 83rd renewal of the long gridiron series.

Elba has won 9 of the last 13 games in the series, including a 30-18 win a year ago, but has split the last four contests and trails the overall series with a 38-44 record.

The Tigers won a total of 53 games and made two trips to the state championship game as a 2A power over the past five years, but this season will be competing in Class 1A, while the Bobcats stumbled to a 4-6 record last season after rolling to 26 total wins the previous three seasons.

“Opp has got a really good football team and is very well coached, and we expect a four-quarter battle Friday night,” said Elba’s Coach Pate Harrison. “The Opp coaches were at the game last week and will no doubt put in a plan to stop what we want to do on offense and have a few wrinkles to take advantage of some things they saw us do on defense. We have watched the tape of the spring game and basically think we know something about their base sets and their personnel. However, there will be things they do on both sides of the ball that we aren’t ready for and we will have to make adjustments on the fly to be successful. On offense we will need to be able to move the chains and not depend on big plays to get

into the endzone. It is exciting to watch long runs and long pass completions for touchdowns, but three ten-yard completions count just as much as one completion for thirty yards, and our goal will be to find the open receiver and complete the pass. We feel good about our running game and believe we can have success running the ball, but need to find out what it is like to grind it out. I was a little disappointed in our conditioning last week and thought our tanks reached empty too quickly. So, that too will be a challenge this week against a big and physical opponent. Our defense will need to get to the ball and make plays to stop Opp. We expect Opp to use multiple formations and get the ball in the hands of their playmakers, and we will have to adjust and not give up any big plays that could lead to easy scores. We all now we have a real battle ahead of us this week and are looking forward to the challenge to learn more about our team.”

“We did some good things and some not so good things last week in the preseason game against Wicksburg,” continued Harrison. “I felt like the line held its own on both sides of the ball against a physical opponent and really played hard, and even though we had a couple of turnovers, the offense got after it and more than held its own. We will work on eliminating the turnovers, getting the right players in the game at the right time, and being physical up front. It was a good game because at the end we had more points on the scoreboard than our opponent, we didn’t get anyone hurt and everyone got the chance to play. It was a good start, but it was just a start, and we have a long way to go and a lot of improvements to make if we hope to be a winning football team.”

Circle City, and are glad that this week they will get to rest their wings and stay at home. A batch of Bulldogs from over in Crenshaw County will be hungry when they arrive and hope to enjoy ‘all you can eat’ chicken wings. However, the guess here is that the homefield advantage will make the difference and spoil the Bulldogs dinner plans.

NEW BROCKTON 17 BRANTLEY 13

KINSTON VS. SAMSON

The Bulldogs from down near the county line have invited a litter of kitties from just across the river to a party late Friday afternoon and are looking forward to chasing the kitties all around the yard. The Bulldogs have been working hard and will never give up the chase, but the guess here is that the kitties may be a little too elusive.

SAMSON 27 KINSTON 20

ZION CHAPEL VS. RED LEVEL

The troops from up at Fort Jack will send a patrol to the woods of Covington County this weekend hunting fur for the upcoming winter. The troops may be a little tired after the long march, but should have their guns loaded and should head back to the fort with enough furs to keep everyone warm.

winning both previous contests, including a 28-0 win in the last meeting way back in 1987.

Brantley has posted a 15-9 record the last two seasons after winning a total of 58 games the previous five seasons, while New Brockton will enter the game with an 0-1 record after a 35-10 loss to Providence Christian in its season opener a week ago.

Elba Tiger Byron Johnson (12) signals to his teammates prior to the snap. Johnson tossed two touchdown passes in last week's 35-21 preseason win over Wicksburg.

The Elba Tigers used three big plays on offense to grab a two-touchdown lead at the half and then added a big play on both offense and defense in the second half as they rolled to a 35-21 win over the Wicksburg Panthers, last Friday night in preseason action in front of a large crowd at Tiger Stadium.

The Tigers put the ball in play at their own 48-yardline early in the game after a Panther punt and needed only one play to strike paydirt as Richmon Singletary took a handoff and raced 52 yards down the sidelines for a touchdown. Bradley Adkins kicked the extra point, and with 9:55 left in the first quarter Elba was already on top 7-0.

Wicksburg went three and out on each of its first two offensive possessions, but got the ball back at the Elba 38-yardline following a pass interception to begin its third series and covered the distance to the endzone in nine plays to pull even on the scoreboard. A key play in the drive was a 4-yard run by Garren Richards on fourth down and two, and it was Richards that scored the Panther touchdown on a 1-yard plunge. The extra point try was true, and with 2:35 remaining in the quarter the score was tied at 7-7.

Elba began its ensuing possession at its own 35-yardline and in just three plays was back on top! A 17-yard run by Singletary and a 16-yard scamper by Collin Harrison quickly put the Tigers in scoring position, and on the next play Byron Johnson fired a strike to Vilee Sams that covered 33 yards for a Tiger touchdown. Adkins again added the extra point as Elba went back on top 14-7 with 1:30 left in the opening quarter.

Elba regained possession at the Wicksburg 42-yardline after a Panther punt and covered the distance to the endzone in five plays to extend its lead. A 16-yard dash by Singletary on the first play of the series sparked the scoring drive, while the Tiger touchdown came on a 33-yard pass from Johnson to Seth Ware, who made a fingertip catch in the back of the endzone.

Ja'Quez Prince kicked the extra point as the Tigers lead grew to 21-7 with 8:55 left in the second quarter.

Elba failed to take advantage of a pass interception by Iverson Lane late in the half as the Tigers fumbled away a scoring opportunity at the Wicksburg 8-yardline. However, the Elba defense never lost command and at the half the Tigers still owned a 21-7 advantage.

Elba's junior Tigers hit the field in the second half at battle the Wicksburg junior varsity and held their own as both teams put two touchdowns on the scoreboard.

Wicksburg scored first in the half as the Panthers drove 80 yards in 11 plays and scored on a 15-yard dash by Octavious Shipman. A two-point run failed to produce points, but with 4:10 left in the third quarter the Panthers had pulled within 21-13.

The Elba offense saw a promising drive end with a pass interception at the Wicksburg 10-yardline on its ensuing possession, but the Tigers returned the favor and added to their lead only two plays later when Deshun Jordan picked off a Panther pass and returned the interception 48 yards for a Tiger touchdown. A two-point run failed to add to the lead, but with 9:50 left in the fourth quarter Elba had increased its lead to 28-13.

Wicksburg quickly regained momentum on its ensuing series as the Panthers went 75 yards in eight plays to get back into the endzone. Shipman capped the long scoring drive with a 7-yard scoring dash, and a two-point try was successful as Wicksburg chopped the Elba lead to 27-21 with 5:45 left on the clock.

Elba needed a sustained drive to kill the clock and preserve the win, but did that and more when on a key fourth down play from near midfield Carson Wise ignored a heavy pass rush and lofted a pass down the middle that Trenton Sanders pulled in over a Wicksburg defender and then outran the Panther secondary into the endzone to complete the 48-yard touchdown toss with 2:15 left on the clock. Byron Burks ran in the two-point conversion as the Tigers put the finishing touch on

an impressive 35-21 win.

Richmon Singletary gained 115 yards and scored one touchdown on four carries to lead the Tigers first half rushing attack, while Byron Johnson completed 3 of 6 passes for 76 yards and two touchdowns, with Seth Ware and Vilee Sams both pulling in 33-yard td tosses. In second half action, the Tigers rolled up 108 yards rushing and 48 yards through the air, with Carson Wise completing 1 of 4 passes for 48 yards and a touchdown.

Wicksburg was limited to 58 yards in total offense in the opening two quarters on seven possessions, but did add 140 yards in total offense in the second half.

The New Brockton Gamecocks traveled to Dothan Friday night to open the 2018 football season against the Providence Christian Eagles and watched the Eagles soar out to a 35-3 halftime lead before the Gamecocks battled back in the second half to make the final score 35-10.

Providence Christian took the opening kickoff and marched 65 yards in eight plays to get on the scoreboard. Collins McClintock kept the ball up the middle for the final five yards and the Eagle touchdown, and David Warren kicked the extra point to give the Eagles a 7-0 lead with 8:35 remaining in the first quarter.

New Brockton moved the chains on a 23-yard scamper by Colton Marsh on its initial possession of the game, but the drive stalled and Providence Christian regained possession on its own 33-yardline following a Gamecock punt.

This time the Eagles marched 67 yards in eight plays to extend their early lead. Isaac Gordon took a handoff up the middle, broke left and went 14 yards for the touchdown, and Warren added the extra point to put the Eagles up 14-0 with 2:46 left in the quarter.

New Brockton put some points on its side of the scoreboard on its ensuing possession as the Gamecocks used seven plays to move down the field. A 36-yard pass from Kayden Cupp to Colton Marsh for a key play in the drive, which was capped off by a 26-yard field goal by Brandon McCoy with 11:51 left in the second quarter that cut the deficit to 14-3.

The Gamecock score failed to impact the Eagle offense; however, as Providence Christian took the ensuing kickoff and went 80 yards in eight plays to regain command. Isaac Gordon scored the Eagle touchdown on a 35-yard dash around the right end,

and Warren was true on the conversion attempt as the Eagles extended their lead to 21-3 with 8:15 left in the quarter.

The Providence Christian defense scored some points of its own on New Brockton's next play from scrimmage when Jackson Colley picked off a Gamecock pass and returned the interception 45 yards for a touchdown. Warren nailed his fourth extra point of the half, and with 7:58 remaining in the second quarter the Eagles lead had grown to 28-3.

New Brockton put the ball in play at its own 33-yardline following an exchange of punt and saw lightning strike again as on the first play of the possession the Eagles' Will Solomon stepped in front of a Gamecock receiver for an interception and raced 30 yards for another 'pick six.' Warren remained perfect with the extra point, and with 1:25 remaining in the half Providence Christian was in complete control with a stunning 35-3 lead.

New Brockton received the second half kickoff and went right down the field being the strong arm of Kayden Cupp. The 16-play drive went from the 20 to the 20 and included eight pass completions by Cupp for 63 yards before stalling.

Brik Scofield recovered an Eagle fumble at the Providence Christian 37-yardline to set the Gamecocks up in scoring territory and the Gamecocks promptly marched to the Eagle 10, only to once again come away without points.

A short punt by the Eagles put the Gamecocks right back in business at the Providence Christian 25-yardline, but New Brockton again failed to cash in the scoring opportunity as a pass interception by the Eagles' David Warren in the endzone killed the scoring threat.

New Brockton took over at the Providence Christian 36-yardline late in the game and six plays later finally reached the endzone when Cupp spotted Colton Marsh alone in the corner of the

endzone and fired a 4-yard td toss. Marsh had catches of 11 and 19 yards during the scoring march, and Brandon McCoy booted the extra point with 10-seconds left on the clock as the Gamecocks fell on the road 35-10.

Kayden Cupp sparked the New Brockton offense with 20 completions in 30 pass attempts for 195 yards. Colton Marsh pulled in

seven passes for 101 yards and one touchdown, while Kaden Hood had six catches for 20 yards and Drew Simon rushed for 29 yards on seven carries.

Isaac Gordon paced Providence Christian with 123 yards and two touchdowns on 14 carries and J. Wilson Benton with 69 yards rushing on eight attempts.

Elba JV Tigers open season with win over Providence Christian

The Elba Junior Varsity Tigers opened their 2018 season Monday night, Aug. 27, at home hosting the Providence Christian JV Eagles from Dothan.

The JV Tigers had a big night claiming a 30-6 win to open the season on an exciting note.

The Tigers took an early lead in the first quarter on a 30+ yards touchdown pass. The two-point conversion was good, and Elba led at the end of the first quarter 8-0.

That remained the score at the half, which was extended due to a weather delay.

The Tigers extended

their lead in the third quarter on a 43-yard touchdown run. Elba appeared to make the two-point conversion, but the officials called it no good due to a penalty.

However, with 5:04 left in the third quarter, Elba led 14-0.

With 1:09 left in the third, Elba scored on a touchdown pass. The two-point conversion was good and the Tigers extended the lead to 22-0.

The JV Eagles got on the scoreboard with 3:18 left in the game with a touchdown score. Their two-point try failed, but Elba's lead was cut to 22-6.

The hometown Tigers

scored one final time on a 63-yard touchdown run. After a successful two-point try, the Tiger led 30-6 with 1:47 left in the game.

The Elba JV Tigers travel to Pike County next week to take on the JV Bulldogs on Tuesday, Sept. 4th. Game time is 6 p.m.
